2021 American Indian Elders Conference

*Little did we know that when the theme of the conference was decided we would be dealing with COVID-19 the theme says it all, our Elders **ARE** the picture of*

“Resilience for Tomorrow . . . Together”

We are excited to be planning the 2021 American Indian Elders Conference with YOU in mind; this is your conference. We have added some new and exciting events for you. We have added additional registration levels (see requirements for each). It has been an exciting three years of change and growth.

We need your help with the following activities: we are looking for a **Native artist** to create our program cover to reflect the theme of the conference. We are also gathering **Letters from the Elders** that let them either tell their stories or give their wisdom to the next generation, what would you say to your granddaughter/son? It has been a challenging year, and we have lost many of our beloved Elders and friends. We would like to memorialize them in an **Elder Memorial Quilt**. We are collection names, short stories about them, pictures, etc. Please look at the forms at the end of this packet for the information and requirements for submission. Deadlines for these are July 16, 2021, if you are going to mail them, but you can always bring them with you to the conference.

If you are a voting member, you will receive a copy of the updated bylaws that the current board of directors spent a week updating for you. We will be voting on these at the main voting session during the conference. Please be ready to discuss and ask questions during your regional caucus session.

In this packet you will find all the information you need to register for the upcoming conference, pay membership dues, and reserve your room at the hotel. If you want to volunteer during the conference.

We are inviting the Title V & III Workforce professionals and trainees, there will be specific workshops for them to attend and an opportunity to meet with people that they usually would not cross paths with. We have added a registration rate for students, this can be anyone from High School level, to an Elder or anyone going to college. We need to get people involved in aging; we need people to carry on the torch when we have done what we can.

If you have any questions about registration or membership contact, Cheryl J. Archibald, carchibald@nicoa.org, or 505-292-2001. Email is the best way to reach us, we are working at the state mandated office capacity of 25%, but if we are not in the office we are working from home. Please be patient with us as this is adding to the time it takes to respond to inquiries.

We are looking forward to an exciting conference, for the first time ever, there will be an **Opening Reception** on Sunday, August 1, 2021, at 5pm, on the 5th floor. We will have all the traditional events, **Warriors Lunch, Memorial Breakfast, Cultural Dinner, Fashion Show, Raffles, Exhibit Hall**, and many different workshops.

NICOA American Indian and Alaska Native Elders Conference on Aging is now The American Indian Elders Conference

NICOA is a New organization, with a renewed life. This is YOUR conference, NICOA presents it and puts it together for you. We have changed the format and lengthened it for a week. We have more plenary sessions, more and different workshops, more registration types and prices that you can afford. New categories of registration, allowing more people to attend and learn about our Elders and what their needs are. We will also be offering some additional events such as a

dinner cruise on Lake Tahoe, a Bingo night, and other events to be determined.

We would like to take this opportunity to introduce our new Executive Director, Mr. Larry Curley, he came on board November 13, 2018. Larry is a member of the Navajo Nation with over 40 years of experience working in the aging and healthcare fields. He has worked with Congress, other branches of the federal government, and national organizations on aging to develop support for programs affecting elderly American Indians. He was an integral part of the organizing group that created NICOA

back in 1976. Most recently he was named as one of the

12 most Influencers in Aging by next avenue. These 12 advocates, researchers, thought leaders, innovators, writers and experts continue to push beyond traditional boundaries and change our understanding of what it means to grow older.

With Larry's leadership the Board of Directors and NICOA staff have put together the first Strategic Plan for the organization. You can find more information about it by visiting our website at <https://www.nicoa.org/about-us/strategic-plan>. NICOA is growing, we have new grants and are developing new partnerships every day. We are your voice to the people in Washington, DC. Larry was instrumental in working with the Reauthorization of the Older Americans Act, where additional funding was approved by Congress.

Non-Voting Associate Members—You don't have to be an Indian to be part of NICOA, just want to help, have an interest in Native American's. Non-voting members paying minimum dues will receive reduced registration fees. Receive reports and materials along with quarterly NICOA Newsletters on issues relevant to aging in Indian Country.

Letters to the Future Generation(s)

We want this collection of your letters to highlight those events in your life that have inspired you every day. Things that you want the next generation to know. The history of “you” and your life, what would you have them remember to make their life better, and continue to strengthen our language, culture, and history. We have a rich history and want to be sure it is carried forward.

NICOA is asking that every Elder, write a letter to the next generation. Giving them living knowledge of what they can do better, how they can learn from your mistakes and lifelong adventures. A personal handwritten letter to the next generation will be a strong, heartfelt way to ask them to carry on the Culture, Language, and Histories of our Tribes. More information and the release form are at the end of this packet.

Emphasizing the importance of the future and those who will live through it, this statement seeks to address the lessons that can be learned from the past. Striving to prevent the next generation from making the same mistakes as its predecessors.

We want this collection of your letters to highlight those events in your life that have inspired you every day. Things that you want the next generation to know. The history of “you” and your life, what would you have them remember to make their life better, and continue to strengthen our language, culture, and history. We have a rich history and want to be sure it is carried forward.

NICOA is asking that every Elder, write a letter to the next generation. Giving them living knowledge of what they can do better, how they can learn from your mistakes and lifelong adventures. A personal handwritten letter to the next generation will be a strong, heartfelt way to ask them to carry on the Culture, Language, and Histories of our Tribes.

Attached to this request is a release of your written letter to allow NICOA to put your handwritten document, along with a transcribed copy in a book for publication. You can ask to be anonymous, but we want the next generation to know about “YOU”. What you have accomplished, where you came from, and what you wish for them.

If you have any questions, please contact Cheryl J Archibald, at (505) 292-2001, or email carchibald@nicoa.org. We will be collecting these letters until December 31, 2021 and beyond. Please consider adding your knowledge to the next generation, you have a lot to offer.

Guidelines for Submission of Resolutions

A NICOA resolution is a statement adopted by its members to drive change. It indicates opposition or support for a change in government policy. It often requests money for programs, projects, or to support policy specific to issues that impact American Indian and Alaska Native Elders.

The resolution passed by the NICOA voting membership cover a broad range of aging topics and are equally important for providing direction to the organization and serve as advocacy tools with policy makers.

NICOA resolutions should include concise background information providing the reasoning for the position or action that you want NICOA to take.

- The resolution should address only one topic or issue. The resolution should be complete, so that when adopted it becomes a clear and formal expression of the Elders.
- ALL resolutions should be AGING related in nature to advocate for the interests of all American Indian and Alaska Native Elders. Resolutions that focus on regional, state or Tribal specific issues are NOT in order.
- A resolution endorsed by NICOA shall be the policy of NICOA until it is withdrawn or modified by subsequent resolution.
- The region submitting the resolution must select a NICOA voting member to introduce and defend the resolution before the resolutions committee and or before the voting members of the duly called biennial meeting of NICOA. (see attached sample resolution)
- Resolutions **MUST be submitted** to the NICOA Executive Director no later **45 DAYS BEFORE** the NICOA biennial meeting, postmarked no later than **JUNE 15, 2021**. Late resolutions submitted at the biennial meeting will not be accepted for consideration. The Resolutions committee must be provided sufficient time to review the resolutions to ensure that they are in order.

Resolutions **MUST BE SUBMITTED 45 DAYS PRIOR** to the NICOA biennial meeting on Thursday, August 5, 2021, be postmarked no later than **JUNE 15, 2021**.

NICOA is, a 501(c)(3) membership and service organization, founded in 1976 by members of the Tribal Chairman's Association. Late Honorable, Wendell Chino, was the driving force behind the first NICOA Conference on Aging. Mr. Chino served as the President of the Mescalero Apache Tribe of New Mexico, and the Chairman of the Tribal Chairman's Association, and also served as the Honorary Chairman of the National Indian Council on Aging. His eloquent, inspirational speech calling for action on behalf of AI/AN Elders was the motivation for the creation of NICOA.

NICOA decided to promote the values of selflessness, integrity, and caring by searching for those individuals who devote their lives in service to others, like Wendell Chino. NICOA shares our creation story so that people of all ages may be inspired by Wendell Chino and people like him that aspire to make life better for others.

NICOA honors caring Americans with a long-standing commitment to advocacy to help improve the comprehensive health, social service and economic well-being of AI/AN Elders.

Let him that would move the world, first move himself.

Honoring our Elders Award Nomination Process FAQs

What characteristics and accomplishments are you looking for in a NICOA Award candidate?

Honoring Our Elders Award recipients are role models who exemplify an extraordinary commitment to public service and social responsibility. Recipients should come from all walks of life but are united in their deep concern for AI/AN Elders. We seek to honor those who have demonstrated selflessness, exhibited a long-term commitment to service and the betterment of aging services, and who have had a significant impact on the lives of AI/AN Elders in their community, Tribal Nation, and/or nationally. We particularly look for those who have worked with an organization that is centered on serving AI/AN Elders, as well as those whose efforts will last beyond their lifetime.

What are the guidelines to be nominated for the Honoring Our Elders Award?

We classify our Honoring Our Elders Award winners as those candidates who are nominated by a NICOA dues paying member. Only NICOA members may nominate a candidate. If you are uncertain of your membership status, please call 505-292-2001. Any person that fits the characteristics and accomplishments above are eligible for nomination. Nomination forms must be complete and received or **post marked by June 30, 2021**

How do I nominate someone for an Honoring Our Elders Award?

Simply complete the form on the front of this sheet and submit it, along with a written (500 word maximum) summary explaining why you think your nominee should be recognized, and the names and phone numbers of people to contact regarding your nominee's activities. We recommend that a nomination form be supported by at least one (1) letter of recommendation. It is beneficial to include newspaper articles, letters, and any additional information to support your nomination.

What is the Honoring Our Elders Award nomination process?

All of the nominations we receive are acknowledged, reviewed, and evaluated. The NICOA nomination committee and staff review every nomination we receive, research those with potential, and provide the NICOA Board of Directors with a broad sampling of finalists. The board then selects one (1) award recipient from each of the three categories. Once an award recipient is selected, we must confirm with the nominee that they can be present to accept their award at our official ceremony. NICOA will provide a complementary membership, conference registration and complimentary room for two at the Nugget Casino Resort, for each of the three award finalists only. If the finalist is unable to attend in person, we will arrange for the award to be shipped to you. Because NICOA pays for the conference at cost we are not able to offer complimentary travel to Reno, NV. NICOA will notify the awardee in advance to allow reasonable time to arrange for sponsorship from the local community and or Tribe for travel and other costs.

How are Honoring Our Elders Award recipients honored?

Recipients are invited to a special ceremony where they are honored for their acts of caring for AI/AN Elders. We present to each winner a beautiful award to display and a framed certificate. Recipients are also profiled in the NICOA Quarterly Newsletter and on the NICOA Website.

2021 American Indian Elders Conference

“Resilience for Tomorrow . . . Together”

Nugget Casino Resort

Reno, NV

August 1-6, 2021

SPONSORSHIP INVITATION

Be part of the 2021 American Indian Elders Conference, before we knew about COVID-19 we knew we had the perfect theme for our conference . . .

“Resilience for Tomorrow . . . Together”

Our Elders show time after time their resilience to stay together and work through every hard ship they encounter. We are looking forward to an exciting conference this year with many new features and events for the elders and other attendees.

Help us provide the best conference we ever have by supporting your Elders that attend this conference every two years. We have over 1,800 attendees from all over the country including Alaska. These Elders come together to meet and get updated information on Aging in Indian Country. We need to know their concerns to advocate for them in Washington, DC.

This year NICOA was an essential part of the passage of the reauthorization of the Older Americans Act (Title VI) adding several million dollars to the programs that directly benefit our Elders. Without your support, the tribes support we would not be able to help them and provide the valuable services we do. **Don't be left behind by other tribes, and organizations send in your support now**, any amount makes a difference. We want to support you as well by posting your donation or sponsorship showing everyone that YOU Support your Elders.

Conference Aims

The conference is the elders' forum; the place to voice concerns, provide recommendations on policies that are important to aging older Indians and to receive up-to-date information and resources to help elders age at home and in their own communities. NICOA works closely with the U.S. Department of Health and Human Services and the Department of Labor to advocate for grant funded programs and services such as Title VI Services for Native Americans (AOA Title VI), Indian Health Services, Medicare/Medicaid, Social Security, Senior Community Service Employment Program and others. Officials from federal, state, and tribal services and departments are invited to listen, learn, and share in the discussion about the successes and concerns impacting aging in Indian Country.

Keynote speakers from federal, state, tribal programs, and agencies will be present to provide program updates and listen to the aging needs of AI/AN elders. Workshops will be provided for the elders by service providers and aging network professionals with experience in providing services to AI/AN elders. *The workshop sessions include caregiver support, elder abuse prevention, health, nutrition, transportation, disease prevention, long-term services and supports, employment and training, financial assistance, and more.*

Special sponsorship packages can be created to fit your needs. Contact Cheryl J. Archibald to discuss what you would like to do. Visit our website at nicoa.org/conference/sponsorship
